Fall Harvest has an exciting selection of volunteer opportunities this year. People love to volunteer so get your application in early! We had such a great response last year, we had to turn people away. It's a GREAT way to get involved, meet interesting people, and be an integral part of the success of the conference!

As A Bonus if you have not received a Scholarship, you are eligible to participate in the volunteer reimbursement program. Many volunteers thoroughly enjoyed this program last year! Completion of a volunteer shift(s) will result in a partial reimbursement of your registration fee. For reimbursement, you must work a minimum of 5 Hours and you must make full payment of the Registration Fee Upfront. But for every 2 Hours worked, you receive \$10.00 in return, up to \$50.00 Total Reimbursement. We encourage you to register at the early bird rate as well. In addition, you will meet some great people, have lots of fun and help make Fall Harvest better than ever!

You Do Not have to be a Registered Attendee to volunteer! We have had volunteers from organizations throughout the city and numerous Significant Others!

Please note:

1. Our volunteer coordinator will be in touch with you. Every attempt will be made to place you in an optimal position. Your responsiveness to emails and phone calls will influence the position(s) to which you are assigned. First come-first served!
2. You are officially volunteering for Fall Harvest: Trisha Lynn Enterprises, LLC

Thank you for volunteering! We're excited you to have you aboard! Perchance all positions are filled, you will be placed on our waiting list (if desired).

Please write to Volunteer@FallHarvest.Org if you have further questions.
